

Position: Intern
Location: Cincinnati, Ohio
Division: Web Services

Description:

A 3 to 6 month college level internship with primary responsibilities including, but not limited to: assisting the Web Services/Lead Programmer with website content management as well as the development of website applications, and other duties as assigned.

Qualifications:

To qualify for a Web Services internship at Radio One, Inc. applicants must be currently enrolled in a college degree program and eligible to earn internship credit. A major in Web Design, Web Graphic Design and/or working knowledge and/or exposure to website programming with PERL, PHP & HTML preferred. Applicants must be 18 years or older and possess a valid school identification. Applicants must possess excellent communication skills and the ability to thrive in a fast-paced environment. Must be organized, self motivated, energetic and a dependable team player.

Responsibilities:

- Assist with the organization and development of websites
- Assist with website graphics and design
- Assist with editing and producing web pages
- Assist with internet advertisement
- Assist with updating content via content management system

Benefits:

As an intern, you can benefit from a generous internship program designed to provide you with experience to prepare you for a career in web services. You will be assigned an intern host who will oversee your work, and help identify your program goals. You will receive ongoing mentorship and training throughout your program to support your professional development. You will also receive hands on experience in your field of study and have an opportunity to network with experienced professionals.

How to Apply:

Download and complete the application and include; college transcripts, proof of internship participation eligibility, and resume. Mail or drop off the application at the Radio One offices located at 705 Central Ave, Suite 200, Cincinnati, Ohio 45202. If you have any questions email tkullum@radio-one.com or call (513) 679-6000.

Receipt of your completed application does not guarantee placement within the Radio One, Inc. Internship Program. However, if the management team within the market is interested in speaking with you our Internship Coordinator will contact you and provide you with more information
